

Why join the NADO Booster Club?

The NADO Booster Club brings together parents, grandparents, alumni, businesses, and community members to support students at Field Kindley High School and Roosevelt Middle School.

Through memberships, fundraising, and volunteer support, we help provide scholarships, strengthen athletics and fine arts, enhance student activities, and build school pride.

When you become a member, you're investing in experiences and opportunities that help every Golden Tornado student succeed.

Every membership helps create opportunities, strengthen school pride, and make a lasting impact on the students of FKHS and RMS.
